

CASCADE LODGE INDEMNIFICATION AGREEMENT

Workshop In The Word agrees for itself and appropriate heirs, successors or assigns to indemnify and hold the United States Government and its agents and employees and Master Plan Ministries and its directors, officers, agents, volunteers and employees blameless, and release the same from any and all liability for injury to persons or property arising out of the use of the Cascade Lodge (including the 1.7 acres permit ground surrounding said lodge). The foregoing release and indemnification shall not apply to the intentional acts of either the United States Government or Master Plan Ministries where such acts are accompanied by a corresponding intent to cause harm, malice or willful and wanton misconduct. Indemnification shall include reasonable attorneys fees and litigation expenses for defenses or counterclaims.

Except for inherently dangerous conditions permitted exist within and upon the premises by the negligence of Master Plan Ministries, the undersigned uses the Cascade Lodge and premises at his own risk. It is expressly understood and acknowledged that the Lodge Coordinator is not required to be medically trained to personally handle first aid problems or medical emergencies.

The undersigned, if 18 years or older, executes this release on his or her own behalf, and if for an incorporated group or other legal entity, as authorized agent thereof. Anyone under the age of 18 years shall sign this release along with a parent or other legal guardian.
