## Our Sixteenth Graduate!

**Steven Hill** has officially graduated from our training program and is now on his way to Van, Texas where he will begin his first work as a gospel preacher. I presented **Steven** with the traditional gift of an attache case from the Durango congregation. The sermon for the Sunday morning assembly was taken from 2 Timothy 2:14-18. Then the charge Paul gave to Timothy in 2 Timothy 4:1-5 was also given to **Steven** as it has been with every graduate from our program.

**Steven** was given a few minutes to speak and he thanked the congregation for providing the Intern Program. We will miss the **Hill** family

### Large Donation Month

The month of November has brought several one-time gifts to our program. We are very grateful to have received a donation of \$5,000 this past month. The donor wishes to remain anonymous. We also received a \$1,000 cash donation from **Kenny & Debbie Sutherlin** of Durango and a belated \$400 contribution in memory of Jeri Golden from **Dennis and Paula Dahlke** of Durango. The Lord has truly blessed us this year not only with increased funding, but also with many applications to our program of training. We are very appreciative to all of you for your continued support of this good work. The results continue to mount up as we send forth men of God, trained to teach nothing but the truth in advancing the cause of Christ.

as they leave us for their first ministry. Please keep them in your prayers. Their new address will be 203 S. Cherry St., Van, Texas 75790 and the church phone number is 903-963-7098.

## What We're Doing...

**Steve Hill** and **Errick Crump** have begun teaching the Wednesday night adult class on Old Testament History. They are alternating as teachers each week. Both are also involved in the preaching rotation on Sunday afternoons and they fill in for me when I am out of town.

In November, I held a gospel meeting in Sayre, Oklahoma on the theme of "The Scheme of Redemption." Next month, I will be preaching at the spiritual rendezvous in West Yellowstone, Montana.

You may have noticed that we've given the Durango Intern Report a new look. This was primarily brought about by the need for space for another graduate. But, it was also time for a face lift.

We will be down to just 2 interns for a few months. This will give me a little breathing room to catch up on several projects. We have already accepted 2 other men into the program when they graduate from the Bear Valley training school. One will arrive in July and another next December. So, we should do well financially for a few months as our expenses will be minimal.

We have heard from many of our graduates in the last few weeks. Some have called or e-mailed with Bible questions or wanting some advice in facing certain issues in their work, and others called just to chat. We are always grateful for these contacts and we are pleased that our graduates are doing so well in their various works. We pray for these men and we hope that all of you who support this work will include our graduates and our current interns in your prayers. All of us need the Lord's help in carrying on the work of preaching the gospel.
