When God Speaks...

There are no dreams
Or visions to see,
But I know for certain
God speaks to me.

I hear no voices
And receive no sound,
But in His Scriptures
His thoughts are found.

To read His word
Is to hear Him speak,
And to ignore His Bible
Makes everyone weak.

Good Times And Bad

I have learned through the years that times of prosperity come and go. Sometimes the dollar is worth more than at other times. So, I was not surprised today to hear on the radio that the price of gasoline will likely go up more than a dollar in the next four months. This will mean less money in our pockets.

Paul noted the same situation some two thousand years ago and had this to say about it: *"I know how to get along with humble means, and I also know how to live in prosperity; in any and every circumstance I have learned the secret of being filled and being hungry, both of having abundance and suffering need. I can do all things through Him who strengthens me"* (Phil. 4:12,13).

When you rely on the Lord and put your trust in Him, then your circumstances of this life, whether good or bad, will not defeat you. Paul could endure "hard times" because of the strength he received from the Lord. Such strength to endure does not come from supernatural intervention. God does not work a miracle to see you through tough times. Rather, it is by recognizing that God is in control and that He has promised to provide for us what is necessary to sustain our earthly existence (Matt. 6:19-34), that we will have the faith to endure. And, sometimes the difficulties of life are given so that we might begin to trust God more. So... do not be anxious!
